Dear Mrs. Manley:

Please accept our sincere thanks for your letter of May 8 and for the very helpful and complete information which it contains on the work of the Citizens' League for Fair Play. It is precisely what we wanted.

We are grateful for your kind offer of additional assistance. If, when putting the material in final shape, we find that there are a few points on which we need further enlightenment, we shall get in touch with you again.

When the monograph is completed, we shall send you a copy.

Sincerely yours,

WMB/b
